Thank you for the Awareness and your Commitment to this Cause

On behalf of my colleagues at the Emperial Group, I would like to take a moment to extend my sincere appreciation to Tiffany Paynter for her recent video, which has brought renewed awareness to the restoration of Somers Playhouse within the wider community. Her efforts in highlighting this important project are truly commendable.

For several years, The Emperial Group has been working diligently behind the scenes, engaging with various stakeholders to transform Somers Playhouse into a vibrant community space. We are excited about the opportunity to collaborate with Tiffany and others who share this vision, working together to restore the playhouse in a way that honours both its rich history and the aspirations of the community.

We have had productive and inspiring discussions with Tiffany on how we can unite our efforts to bring this vision to life. Regardless of the outcome of the upcoming election, we firmly believe that Tiffany's passion, dedication, and leadership will continue to play a pivotal role in revitalizing the Somers Playhouse.

Thank you, Tiffany, for your commitment to this cause, and we look forward to working together to make this project a reality.

Best regards,
Gladwin Simmons
Emperial Group
Director
